## Landing Pages Overview:

- ✓ Your Pre-K page is provided for you to introduce the program to everyone.
- ✓ Your recruiting page is provided to you, so that you may introduce the FIE program to other potential ambassadors and team leaders.
- ✓ Both pages will be personalized with a picture of you, your name and a short message of “Thanks!”
- ✓ Your landing pages will allow you to add a unique affiliate number tied to you and you alone.
  - Anyone that visits your Pre-K page and moves forward with a subscription of \$19.95 will be automatically credited to you, so that you can be properly compensated through the FIE HUB.
  - The Recruiting page will be tied back to you if your efforts produce a new Ambassador.
  - The Hub has a compensation explanation for recruiting Ambassadors and Team Leaders.
- ✓ There are instructions in the HUB on how to attach your affiliate # to your landing pages to ensure if a sale occurs by your efforts, it will be tied back to you.
- ✓ **NOTE:** We will be producing more landing pages involving Special Education and English Language Learners. We will alert you once they are available for you to use those within their demographic.

Point your audience to your landing pages and let your page, do the  
“selling” for you!
